

# ARTIFICIAL + HUMAN INTELLIGENCE

---

## CLEARER DECISIONS

**Qlarant delivers** leading edge solutions to help some of the nation's most important programs uncover risks, seize opportunities, and optimize performance. Count on us to improve the quality of your programs from every angle. Our work in fraud, waste, and abuse saves millions of dollars, and our powerful technology solution—RIViR—tames massive amounts of data for better decision-making. RIViR—a program integrity solution, designed by program integrity people. The powerful combination of *Technology + People* provides the *Best Results*.

Visit us at our virtual booth and get to know Qlarant, RIViR, I-MEDIC, Plan Program Integrity MEDIC, and the Unified Program Integrity Contractor for the South Western and Western Jurisdictions.

Best People. Best Solutions. Best Results.®
