

Become an NCI Surveyor— *Help Shape a Better Future for People!*

Qlarant NCI Program:
www.qlarant.com/nci

Are you passionate about making a difference in your community? Do you enjoy connecting with people and listening to their stories? If so, we'd love to have you on our team!

We're hiring **National Core Indicators (NCI) Surveyors** across South Dakota to conduct one on one interviews with people- including elders adults and people with intellectual and developmental disabilities.

The information you gather helps improve the quality of services in South Dakota—meaning your work directly supports positive change.

What You'll Do:

Meet with people in-person, virtually, or by phone to learn about their experiences

Collect data on important topics like employment, rights, health & safety, and community life

Capture feedback to shape future services

Why You'll Love This Work:

- ✓ **Flexible hours**—10–20 per week, 1–2 days weekly
- ✓ **Complete at least 10 surveys a month** (in-person, virtually, or by phone depending on survey)
- ✓ **Travel locally** (approx. 10–40 miles each way)
- ✓ **Training**—complete 10 hours of paid training (self-paced and live virtual session)
- ✓ **Receive a laptop and wireless router to complete the work**
- ✓ **Earn a flat rate per completed survey**—(travel reimbursement is provided for in-person interviews)

Who We Are Looking For:

Experience working with older adults and/or people with intellectual or developmental disabilities
Associates **degree** and 1 year of experience **OR**
A minimum of 3 years relevant experience
Strong communication skills and the ability to build trust and rapport with people
Comfort using computer software including Outlook, Excel, Teams, and online data systems
Commitment to confidentiality and protecting HIPAA related information
Bonus: Experience managing caseloads

If you're someone who cares deeply about people, values independence in your work, and wants to make a meaningful impact, **this is a role is perfect.**
